# FOSTER PARENT TRAINING LOG

INSTRUCTIONS: You, as a foster parent will have the responsibility of maintaining your own training record. The Washoe County Department of Social Services mandates thirty-six (36) hours of pre-service training for licensure and four (4) hours of training for family foster homes, twenty (20) hours of training for therapeutic foster homes prior to re-licensing for each foster home. Please complete this form and submit it to your licensing worker. All training reports are due on the dates requested by your licensing worker. If the form is not received or the training requirements are not met, your license may not be issued and children will not be referred for placement.
